**Breakfast is an important meal. We serve a breakfast "snack" at Kids Inc. and it is only for those early morning campers. The children run and play hard. They need the energy to make it to lunch. Please make sure your child eats a healthy breakfast at home before coming to camp! Thank you for your cooperation.**

### Art The Kindergarteners (K's)

Welcome to summer camp! We're going to have a great and exciting summer! The focus all summer will be urban wilderness. The kindergarteners will spend lots of time outdoors and in nature.

Our first week is Let's Make a Deal. We'll travel to the UW for a cool scavenger hunt throughout the campus on Thursday. We will also be getting settled in, picking a group name and begin a bike day on Wednesday (but remember the bike has to go home at the end of day)! Welcome everyone!

Andrea

### Art 1st, 2nd Graders

It's the first week and summer and it really is all fun and games! Along with picking our group and getting to know each other with name games, we will taking a scavenger hunt of the center and of downtown Ballard. We'll end the week with a board game and trivia tournament and designing and presenting our own game shows!

Lindsay and Steve

### Art 3rd -5th Graders

Welcome to summer! There is a lot to do and summer is always too short, so lets start strong with Let's make a Deal. Do you know a good bargain when you see one? Think yourself a fast talker? The 3rd, 4th & 5th graders (name to be determined), are heading into Ballard for their first field trip. We will get a mystery item and try to trade our way up. During the rest of the week we'll be running intense board games, tourneys and making our own game show! Bring on your baringing skills!

Cecelia and Morgan

### Beach Day/Park Day/Everyday

Please note the schedule above for Beach and Park day. **Don't forget to apply that sunscreen before your child gets here to Kids Inc. everyday.** The kids will be leaving by 9:10 and returning by 3:00 pm.

Washington Administrative Code insists that either all children have freezer packs in their lunch or we must carry portable coolers on our fieldtrips. **We are asking for your support. Please make sure that your child has a freezer pack in their lunch. A frozen water bottle works great. Thanks for your help.**
