

Art: July 3rd-7th

**Things to remember:**

EVERY day your child should have:

- ..sunscreen applied before arriving at Kids Inc.  
We do not reapply until after lunch!
- ..lunch with a frozen gel pack (no warm-ups)
- ..water bottle with NAME on it
- ..backpack with name
- ..change of clothes
- ..book to read
- ..change of shoes or water shoes/flip flops
- ..on warm days, water play may be included, Make sure your child/ren have extra clothes and/or swimsuit/towel which can be left in cubby. Please clear out at the end of each week

**All children must be at camp by 9:00 AM on field trip days. Field trips leave Kids Inc by 9:10.**

You can find the weekly newsletters on our website in the summer tab... [www.kidsincseattle.com](http://www.kidsincseattle.com), posted weekly on the Friday before the intended week.

Breakfast is an important meal. We serve a breakfast “snack” at Kids Inc. and it is only for those early morning campers. The children run and play hard. They need the energy to make it to lunch. Please make sure your child eats a healthy breakfast at home before coming to camp! Thank you for your cooperation.

**Construction  
The Kindergarteners  
(K's)**

Put on your hard hats...it’s construction week! The Kindergarteners will construct amazing things like stepping stones, a city, new stools for the bathrooms and their very own wood sculptures. Thursday is BIKE DAY, bikes, trikes and scooters are welcome on this day, just remember they have to go home at the end of the day and don’t forget to send a helmet!!! Wednesday will be a field trip to Ross Park. Please remember to sunscreen your kids in the mornings and don’t forget a water bottle every day!

**Construction  
1st, 2nd Graders**

Tool Time! It’s time to get grimy & sweaty! We will be learning all about different trades and the tools used in construction from woodworking, to plumbing and electrical. There will be sawing, nailing, screwing and gluing. Our fieldtrips will take us to Salmon Bay and Gas Works Park to fly kites!

**Construction  
3rd -5th Graders**

Time to build! On Monday, we start the week with creating a Rube Goldberg Machine (think Mouse Trap) and building our very own newspaper fort. Wednesday will be filled with plaster hand prints and wood constructions. Thursday will take us to Emerald City Fired Arts to do some tile work. Friday we will paint our plaster hands and decorating our forts. Don’t forget we are closed on Tuesday for the Independence Day Holiday and water bottles are needed everyday!

**Beach Day/Park Day/Everyday**

Please note the schedule above for Beach and Park day. **Don’t forget to apply that sunscreen before your child gets here to Kids Inc. everyday.** The kids will be leaving by 9:10 and returning by 3:00 pm.

Washington Administrative Code insists that either all children have freezer packs in their lunch or we must carry portable coolers on our fieldtrips. **We are asking for your support. Please make sure that your child has a freezer pack in their lunch. A frozen water bottle works great. Thanks for your help.**
