

## Science: July 31st– Aug 4th

### Things to remember:

**EVERY** day your child should have:

- ..sunscreen applied before arriving at Kids Inc.  
We do not reapply until after lunch!
- ..lunch with a frozen gel pack (no warm-ups)
- ..water bottle with **NAME** on it
- ..backpack with name
- ..change of clothes
- ..book to read
- ..change of shoes or water shoes/flip flops
- ..on warm days, water play may be included, Make sure your child/ren have extra clothes and/or swimsuit/towel which can be left in cubby. Please clear out at the end of each week

**All children must be at camp by 9:00 AM on field trip days. Field trips leave Kids Inc by 9:10.**

You can find the weekly newsletters on our website in the summer tab... [www.kidsincseattle.com](http://www.kidsincseattle.com), posted weekly on the Friday before the intended week.

	MONDAY 7/31	TUESDAY 8/1	WEDNESDAY 8/2	THURSDAY 8/3	FRIDAY 8/4
<b>SLIMY FLOWERS</b> <small>Kindergarteners</small>	Activities at the center See Activity Plan Sheet	Field Trip to the Woodland Park Zoo	Activities at the center See Activity Plan Sheet	Activities at the center See Activity Plan Sheet	Field Trip to Seattle Tilth
<b>FLYING TACOS</b> <small>1st &amp; 2nd Grades</small>	Field Trip to UW Science Labs	Activities at the center See Activity Plan Sheet	Field Trip to Pacific Science Center	Activities at the center See Activity Plan Sheet	Activities at the center See Activity Plan Sheet
<b>HAPPY JALAPEÑOS</b> <small>3rd, 4th &amp; 5th Grades</small>	Activities at the center See Activity Plan Sheet	Field Trip to UW Anatomy Lab	Activities at the center See Activity Plan Sheet	Field Trip to the Woodland Park Zoo	Activities at the center See Activity Plan Sheet

**Breakfast is an important meal. We serve a breakfast “snack” at Kids Inc. and it is only for those early morning campers. The children run and play hard. They need the energy to make it to lunch. Please make sure your child eats a healthy breakfast at home before coming to camp! Thank you for your cooperation.**

### Science Week The Slimy Flowers (K's)

Calling all Einstein's...it's Science Week! We will be doing tons of experiments, testing buoyancy, learning about probability, making kites and so much more! We will have two great fieldtrips. On Tuesday we will become zoologist and explore the Woodland Park Zoo, then we will put on our botany hats and learn about plants at the Seattle Tilth Children's Garden on Friday.

Andrea

### Science Week Flying Tacos (1st, 2nd Graders)

Make sure to wear your lab coats and goggles because this week is....SCIENCE WEEK! From touring labs at the University of Washington to going to the Pacific Science Center, we plan on delving deep into the Natural Sciences. Make sure you bring closed toed shoes for we are experimenting with common ingredients that when combined have the possibility of getting messy!

Lindsay and Steve

### Science Week Happy Jalapeños (3rd -5th Graders)

Let's explore the world around us this Science Week! On Monday, we will guess our blood type based on the blood type of family numbers and learn about the circulatory system. On Tuesday we will visit Cecilia's mom at her classroom at the UW, to learn about our hearts and lungs. Wednesday we will learn about ecology and Thursday we are off to the Zoo to study animals and their bone structure.. Finally on Friday we'll explore Genealogy and DNA! Bring your thinking caps!

Cecilia and Morgan

### Beach Day/Park Day/Everyday

Please note the schedule above for Beach and Park day. **Don't forget to apply that sunscreen before your child gets here to Kids Inc. everyday.** The kids will be leaving by 9:10 and returning by 3:00 pm.

Washington Administrative Code insists that either all children have freezer packs in their lunch or we must carry portable coolers on our fieldtrips. **We are asking for your support. Please make sure that your child has a freezer pack in their lunch. A frozen water bottle works great. Thanks for your help.**
