**Breakfast is an important meal. We serve a breakfast “snack” at Kids Inc. and it is only for those early morning campers. The children run and play hard. They need the energy to make it to lunch. Please make sure your child eats a healthy breakfast at home before coming to camp! Thank you for your cooperation.**

### Splish Week The Slimy Flowers (K's)

Ready to beat the heat? It's Splish week, week one of two water weeks! The Slimy Flowers will make fun water art, get wet in water games and give our bikes a good wash. To cool off we will also go to the Volunteer Park wading pool on Tuesday and Golden Gardens on Friday. Don't forget to have a swim suit, towel and water shoes every day along with a water bottle everyday this week!!

Andrea

### Splish Week Happy Jalapeños (3rd -5th Graders)

Escape the hot summer sun and enjoy a whole week of water fun! We will be going to Seattle center on Tuesday to play in the fountain, then over to Golden Gardens on Thursday, for some ocean fun. We will be having a watermelon eating contest, playing water sports, making popsicles and solar oven smores. We will have tons of fun challenges to help beat the heat like frozen T-shirt contest and ice block treasure hunt! See you there!

Cecilia and Morgan

### Splish Week Flying Tacos (1st, 2nd Graders)

Hopefully Splish week will be as toasty as last week cause we plan on being wet everyday! We have lots of fieldtrips to places where we will need swim suits and towels. Off to Seattle Center on Monday, Golden Gardens on Wednesday and a third one to Gilman Park on Friday! We'll play water games and have a “chilled” summer break! Don't forget to pack the swim wear/gear, water bottle, and to lather up those tiny tacos with lots of sunscreen in the morning

Lindsay and Steve

### Beach Day/Park Day/Everyday

Please note the schedule above for Beach and Park day. **Don't forget to apply that sunscreen before your child gets here to Kids Inc. everyday.** The kids will be leaving by 9:10 and returning by 3:00 pm.

Washington Administrative Code insists that either all children have freezer packs in their lunch or we must carry portable coolers on our fieldtrips. **We are asking for your support. Please make sure that your child has a freezer pack in their lunch. A frozen water bottle works great. Thanks for your help.**
