Sports Week The Slimy Flowers (K's)

Run, jump and play! We will learn how to work as a team and learn the fundamentals of sports! Our field trips this week are to Wallingford Park on Tuesday and Gilman Park on Friday. During the days we are at the center, it will be filled with obstacle courses, golfing and soccer! Remember, Thursday is bike day with a parade in the afternoon! Don't forget the sunscreen and water bottle.

Breakfast is an important meal. We serve a breakfast "snack" at Kids Inc. and it is only for those early morning campers. The children run and play hard. They need the energy to make it to lunch. Please make sure your child eats a healthy breakfast at home before coming to camp! Thank you for your cooperation.

Sports Week Flying Tacos (1st, 2nd Graders)

On your mark...get set...GO! This week we will be testing your strength, quickness and ability to think. Monday, we will head to the UW Hub for some bowling. We will continue to work on basketball skills and making foam fingers to root with at the Seattle Storm vs Connecticut game on Wednesday! At the end of the week we will be having a "tailgate" party and watching Space Jam! Make sure to bring a big lunch and that water bottle because the kids will be on the move all week.

Sports Week Happy Jalapeños (3rd -5th Graders)

Go team! It's Sports Week! This a busy week, three field trips and so much more! Monday we will decorate our water bottles and make sports snacks. Tuesday we're off to Gilman Park for a round of kickball and Wednesday is the Seattle Storm vs. Connecticut basketball game at Key Arena. Thursday is bowling at the UW Hub and we will end the week making sports fingers, watching Space Jam and munching on sports snacks made by us!

Beach Day/Park Day/Everyday

Please note the schedule above for Beach and Park day. **Don't forget to apply that sunscreen before your child gets here to Kids Inc. everyday.** The kids will be leaving by 9:10 and returning by 3:00 pm.

Washington Administrative Code insists that either all children have freezer packs in their lunch or we must carry portable coolers on our fieldtrips. **We are asking for your support. Please make sure that your child has a freezer pack in their lunch. A frozen water bottle works great. Thanks for your help.**
